**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The situation is clear that we as consumers are in the hands of a bunch of mega conglomerates that are conspiring to keep prices high and service at a minimum. Both my business and home stay away from large providers like ATT and similar that frustrate us as consumers and provide terrible service without competition. We need flexible multiple companies to keep the situation out of the threat of monopoly and racket risks.

Please do what you are created for and protect us from the abuses of already overpowered companies.

Sincerely.

Francesco Indrio
